

Schoeller Allibert

## Dolly 604x402x162 - 4 swivel rubber wheels

Item: 9193002 

This euro norm dolly provided with galvanized sheet steel bolts and rubber wheels. Schoeller Allibert's Euronorm dollies are designed to facilitate safe and easy movement of loaded Euronorm crates, stacked crates and stacked empty crate. Lightweight, hygienic and suitable for use in cold stores and freezers. Able to load up to 250kg per unit. Safe, ergonomic and makes work easier for operators. The stacking rim

ensures that containers cannot move during transportation.
