

Schoeller Allibert

Floor Slat 503x486x20

Item: 9917000

Floor slats serve to cover the existing floor in all types of spaces where moisture is present, such as the edges of swimming pools, changing rooms, gardens, refrigerator rooms, kitchens and many more. 100% plastic so they do not take on an odour, able to wash easily, resistant to products such as acid or corrosion, contain insulating properties against electricity and simple maintenance.
