SOLUTIONS D'EMBALLAGE

1810.100 - 21L - Prelog CMB - 400x300x240 

The PreLog® CMB is the perfect packaging alternative for valuable non-food applications. Our PreLog® Clever Move Box (CMB) foldable small containers are strong, stable and stackable and can be used for the transport of a wide range of products. The hand holes on the short sides make the container easy to carry. With a seal, the contents can be secured against theft. Its design with a flat base and the absence of ribs make this container automation and conveyor friendly. The CMB has now become a universal container for transporting valuable or vulnerable goods such as high-quality textiles, perfumes, pharmaceuticals and electronic components. Moreover, the PreLog® CMB is ecological, it saves valuable space on return transports thanks to its high folding ratio.

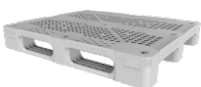

External (LxWxH):	400 mm x 300 mm x 240 mm
Internal (LxWxH):	355.7 mm x 255.7 mm x 216 mm
Weight:	1.66 kg
Material:	PP
Temperature range:	-20 °C to 40 °C
Units/Pallet (pc):	200
Pallet size:	1200 mm x 800 mm
Pallet Height:	1780 mm

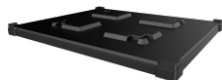

1811840 - Sealing clip for Prelog CMB

1811841 - Clips for CMB, yellow

8279110 - SA BaYoPal 1200x1000x170 - 3R, R

6017830 - Pallet Cover 1229x1030x84 - corners

- Vertical sides - Maximum internal volume for efficient use of available space
- Flat base - Compatible with most forms of conveyor & automated handling equipment.
- Ease of use - Easy to fold and erect with locking tabs system
- Operator comfort - Ergonomic hand-holes for easy and safe manual handling
- Intergrated interlocking lid - No lost lid, hangs vertically when open that does not exceed the external dimensions
- Protect your content - Tamper-evident security seals deter theft
